**Four 2 ounce tastes  
of the following wines for \$15.00**

### **Carlisle Derivative White**

An inviting fresh and spicy nose, exhibiting key lime, balsa, honeysuckle and macaroon scents. A touch of toast and gingerbread on the finish.

### **Sean Minor Pinot Noir Sonoma Coast**

Medium-bodied with rich aromas of plum, cherry, green tea and a slight clove spice. Rich and sweet cherry and plum flavors framed by vanilla and oak notes throughout the mid-palate. The spicy finish lingers on the palate.

### **Walter Hansel Chardonnay RRV "The Meadows"**

A rich, full style, barrel fermented for 8 weeks, and then further aged in barrels for 10 months. From a parcel on the estate vineyard that is always last to be harvested, with naturally low yields.

### **Bedrock Sonoma Zinfandel**

Powerful, with soaring aromatics and the signature citrus blossom and orange oil imparted by the deep red soils draped slinkily over the western shoulder of Mt. Veeder.
