Wines of Sicily with Clay Harpending
of Polaner Selections

Four 2 ounce tastes of the following
wines for \$15.00

**Azienda Agricola Calabretta,
Terre Siciliane Carricante (2018)**

Pale straw yellow. Intense aromas and flavors of lemon juice, jasmine, bergamot, and minerals. A laser beam of steely acidity provides clarity and cut on the very long and saline finish that features repeating floral notes. Well done.

**Vinaccio,
Rosso (NV)**

Aromas of fresh cherries smashed through clove and bay leaves. Jammy, clean fruit with a medium to light body, easy drinking like picking fresh red fruit straight from the earth.

**Azienda Agricola COS,
Frappato (2018)**

Light ruby colored in the glass, the aroma has a pretty perfume of wild flowers, red berry blossoms and herbal spices. A pure delight.

**Torre Racina,
Terre Siciliane Nero d'Avola (2018)**

Think juicy Nero d'Avola meets powerful amarone! "Racina" is Sicilian dialect for a grape. This is a powerful little wine for the price!
