Welcoming Clay Harpending
of Polaner Selections

Four 2 ounce tastes of the following wines for \$15.00

Chateau Lamothe, Bordeaux Blanc (2016)

This flagship white boasts floral and fruity aromas and is fresh and round on the palate with a crisp, dry finish.
Among the greatest values in Bordeaux Blanc.

Chateau Lamothe, Cadillac Cotes de Bordeaux Rouge (2015)

This traditional blend benefits from the various components each variety and terroir bring to the table:
Merlot grown in clay adds richness and supple tannins, Cabernet Sauvignon grown in hot, gravelly soil brings structure and tannin for ageing, and Cabernet Franc contributes fruitiness and finesse.

Chateau Lamothe, Cotes de Bordeaux Premiere Cuvee Rouge (2014)

A big step up in power and concentration, Lamothe's premiere cuvee has dark fruity aromas followed by spice and real depth on the palate. This is complex and layered wine that will reveal itself beautifully over 8-10 years.

Chateau Manos, Cadillac (2015)

Approximately 80% of the grapes that contribute to this bottling have botrytis, or "noble rot". The wine features notes of honey, spice and citrus. It is fresh, full of finesse and promised up to 15 years of lovely ageing.
